**Dariana Dervis
Exhibition**

Dariana Dervis is a mixed-media artist from Birmingham, AL. Deeply inspired by nature, she delights in mining beauty from the ordinary to create the extraordinary. Papers, found objects, ephemera, and thread are given new life and meaning as they are incorporated into mixed media collages. A visual dialog and juxtaposition of past and present elements create a piece greater than the sum of its individual parts. Her artwork explores the ways we are connected to the landscapes in which we live and also to one another.
